**Do you have any suggestions for event venues in your area?** Here are some things I take into account when researching venues: is the venue easy to get to for our members? Can they get there by public transportation? What is the venue rental fee and are there hidden costs? Is the space well-equipped for meetings and turn-key or will volunteers need to do a lot of set-up/tear down? Is the space pleasant? Is there free parking on location? What are the food options—can we have the event catered or have members bring their own bagged lunches? If we have to leave the premises, are there many inexpensive places to get a quick lunch nearby?
